Subject: San Dieguito Planning Group Meeting - Cancellation

The San Dieguito Planning Group has decided to cancel its regularly scheduled meeting on Thursday, July 3rd. We assume that date would be a major inconvenience for many of our members as well as the public and applicants, who would be forced to appear the first night of a major 3 day weekend.

All of the matters previously noted as being heard that night are being continued to July 17th.

We hope this does not cause a major inconvenience for anyone, and that you enjoy the holiday.
